Departure of Bride & Groom

_____ Will the Bride & Groom need time to change clothes (yes/no)

_____ How will the Bride & Groom depart? Rice, Bird seed, Bubbles, Rose peddles, other.

_____ Where will the Birdseed, Bubbles be located?

Dance Music

_____ Is it OK to take requests from your guest (yes/no)?

Dancers Delight recommends that you select several songs that you positively want played (songs that have special meaning to the bride and groom) and let Dancers Delight's years of experience select the remaining songs. Dance songs are defined as high energy and slow love songs, not songs with a mellow tune (Eric Clapton, Enya). An average of 30-50 songs can be played in a 4 hour time period.

If you don't want Dancers Delight to select music for your reception, please create a list of music to play and then during our planning meeting, tell us to ONLY PLAY FROM YOUR LIST. Keep in mind that your guests will range in age from 5-90 years old. So select dance tunes from all decades.

Starting on page 12, the top 1100+ songs played by DJ's nationally as surveyed by Mobile Beat, a DJ trade magazine. Dancers Delight has over 18,000 songs to choose from. My complete music list can be found on my web site: <http://www.dancersdelight.net>.
